

UGI Corporation Releases its 2024 ESG Report

June 27, 2025

VALLEY FORGE, Pa.--(BUSINESS WIRE)--Jun. 27, 2025-- UGI Corporation (NYSE: [UGI](#)) today released its 2024 ESG report, "Delivering Positive Energy Every Day," demonstrating measurable progress across all commitments while delivering reliable, affordable energy solutions to more than 2.5 million customers across 17 countries.

UGI achieved significant milestones in 2024, including:

- Achieving our target of a 50% reduction in accountable vehicle incidents between 2017 and 2025, one year ahead of schedule.
- Reporting a 6% reduction in Scope 1 greenhouse gas emissions, keeping the company on track with its 55% reduction commitment by 2025.
- Expanding our social impact with over \$2.8 million in community contributions and more than 32,000 employee volunteer hours.
- Strengthening corporate governance while earning "Customer Champion" recognition from Escalent for service excellence at UGI Utilities.

"Our 2024 results demonstrate the strength of our integrated approach to business excellence and sustainability," said Bob Flexon, President and CEO of UGI Corporation. "We're proving that disciplined goal-setting and consistent execution create sustainable long-term stakeholder value across all dimensions of our business."

The report showcases UGI's balanced approach to sustainable operations, combining operational excellence with environmental stewardship and community investment to create long-term stakeholder value. This approach prioritizes reliable, affordable energy delivery to customers across diverse markets, continued emissions reduction through infrastructure modernization, enhanced community partnerships, and industry-leading safety and governance practices.
